

January 2021

🎵 music newsletter 🎵

Happy 2021 to all of our South Hills' Family! The children will welcome the new year by actively moving and dancing to The Beanbag Boogie, Hokey Pokey, Chicken Dance, The Freeze, Stop and Go, the Cha Cha, 1950s Rock and Roll, and many more.

The children will spend a week listening to and assisting me as I tell the story of the three little kittens, and then introduce them to opera with Rossini's "Comic Duet for Two Cats", always a hit! We will be listening to some Kool Kats together too...which will introduce the children the children to rhythm sticks! They will learn to follow the commands: Ready and play, stop, high, low, turn. tap. hit, and rest as they quickly keep up with the tempo, play, sing, and move! The children will be accompanying several songs with a variety of tempos during these lessons, which will continue into February!

It may be cold and blustery outside, but music makes us all feel better as we sing and dance together inside. Spend some time singing and dancing with your little ones--it is good for the spirit !
